## NATURAL IMPRESSIONS RETAINING WALL

Product	Usage	Colours	Average No. Per Pallet	Weight	Ex Works Price Each Inc GST
 <p>Standard unit</p>	<p>Get the contemporary look of stacked stone, with the easy to install rear-lip system. Without any engineering, your Flagstone wall can be built to a height of 850mm (eight course with a capping unit) To reach higher levels your wall will need</p>	<p>BLUESTONE SANDBANK</p>	<p>144</p>	<p>9.42 kg</p>	<p><b>\$6.06 ea</b> (\$201.98 Per M2) (33.33 per M2) (4 per lin M)</p>
 <p>Cap unit</p>		<p>BLUESTONE SANDBANK</p>	<p>216</p>	<p>5.94 kg</p>	<p><b>\$6.06 ea</b> (\$20.18 Per LM) (3.33 per lin M)</p>

### Notes:

- There are five different face units that make up the Flagstone range. Each of these five units have the same dimensions and are sold collectively.
- To achieve the 'Natural Impressions' look, the product should laid randomly throughout the entire wall ie: working down the sides of the pallet rather than across.
- Colours shown in this brochure are indicative only.
- Product should be sighted before purchase.

### Details

**Unreinforced Maximum Height:** 850 mm

- 8 courses = 800 mm
- capping unit = 50 mm

#### Standard Units:

- Dimensions: 300(w) x 100(h) x 175(d)
- Avg no. per m<sup>2</sup>: 33.33
- Avg no. per pallet: 144
- Avg kg per unit: 9.42 (106 per tonne)
- Minimum outside radius (without cuts): 762 mm

#### Capping Unit:

- Dimensions: 300(w) x 50(h) x 200(d)
- Avg no. per L/m: 3.33
- Avg no. per pallet: 216
- Avg kg per unit: 5.94 (168 per tonne)
